

At Los Campeones Gym your health and safety is our top priority. To many, our facilities have been a safe space to train, work, and better their lives. As we reopen our facilities, we are committed to creating an environment that helps reduce risks associated with COVID-19 by implementing practices consistent with the following guidelines, all of which aim to meet the state's public health considerations of predictability and safety.

SHARED RESPONSIBILITY FOR REDUCING COVID-19 RISKS

- Promote a shared understanding of health and safety measures related to COVID-19 for both members and employees.
- Go through cleaning practices with staff at length to ensure everyone is following protocol.

PHYSICAL/SOCIAL DISTANCING

- Capacity restrictions to create physical distance of at least 6' per public health guidance as much as possible.
 - Overall facility capacity for Blaisdell location: 168 people
 - 25% - 42 people
 - 50% - 84 people
 - Overall facility capacity for Franklin & Northeast locations: 276 people
 - 25% - 69 people
 - 50% - 138 people
- Signage marking appropriate spacing on floors near the front desk.
- Every other cardio equipment will be off limits to members to encourage social distancing.
- Encourage outdoor space if weather permits.
- Contactless financial transactions when possible.

CLEANING | SANITATION | GYM EQUIPMENT

- Enhanced cleaning protocols with medical-grade disinfectants, focusing on high/common use areas and equipment between uses.
 - Extra cleaning lists will be made and updated as needed.
- Water fountain use is prohibited or limited to water bottles and the water bottle filler.
- Increased disinfectant/sanitizer stations for members to clean equipment and hands before/after each use.
- Communal gym chalk will be unavailable.
- Commonly used items such as foam rollers, yoga mats, and resistance bands will be given out only at request and sanitized between each use.
- Doors will remain open to increase the outdoor air-percentage, increasing the dilution of contaminants, and eliminating recirculating, whenever possible, while maintaining indoor air-conditions.

HYGIENE | SCREENING

- Barrier masks and gloves provided for employees, subject to individual health limitations or alternative local governmental requirements.
- Self-screening for symptoms associated with COVID-19 encouraged for employees and members, with advice to refrain from using or working in the facility if symptomatic
- Reporting of confirmed cases, with usage records or video where available aiding contact tracing
